

In subsection (b) of this section, present Art. 43, § 258(c)(1), which provides for the receipt of applications for examinations and the issuance of licenses, is deleted as redundant of §§ 12-303 and 12-306 of this title, which provide for application for and issuance of licenses, respectively.

Present Art. 43, § 258(d)(2), which provides that the Board may "demand and receive ... the fees provided for in this subtitle" and which provides for the disposition of these fees when collected, is deleted as unnecessary in light of independent provisions of this title. See, e.g., § 12-206 of this subtitle and § 12-303 of this title.

#### 12-206. DISPOSITION OF FUNDS.

THE BOARD SHALL PAY ALL FUNDS COLLECTED UNDER THIS TITLE INTO THE GENERAL FUND OF THIS STATE.

REVISOR'S NOTE: This section is new language derived without substantive change from the third sentence of Art. 43, § 259.

The fourth sentence of present Art. 43, § 259, which requires that disbursement of funds be in accordance with Art. III, §§ 32 and 52 of the State Constitution and Art. 15A, §§ 1 through 15 of the Code, which relate to disbursements from the General Fund of this State, is deleted as implicit in the requirement that the funds are part of the General Fund of this State.

The second sentence of present Art. 43, § 268(e) -- which provides for the disposition of all "permit" fees collected under the provisions of present Art. 43, § 268 -- is deleted as inconsistent with and superseded by the general provisions of this section and other independent provisions of law.
